

**WELLWISE
PHARMACY**

PATIENT QUALIFICATION CRITERIA

Residents may qualify for the Long-Term Care program if they meet certain criteria and below are some of the qualifiers. Please have the resident or caregiver team contact the pharmacy to determine individual eligibility.

**If a patient is in or qualifies for a Home & Community Based Services Program (number 5 below), the patient does not need to meet any of numbers 1-4 to qualify for the Long-Term Care at Home program.*

1. Resident is on multiple medications for their chronic conditions.

2. Resident has limited mobility that makes leaving home independently difficult.

3. Resident has two or more barriers to activities of daily living (ALDs) or Instrumental Activities of Daily Living (IADLS).

- | | | |
